March 20, 2020

Dear Norfolk Academy Family,

Our school’s Philosophy speaks of teaching students to become “useful and responsible citizens of a democracy.” In Hampton Roads, across the nation, and even across the globe, I know that the Bulldog community is united in expressing this purpose, rising to meet the challenge presented by COVID-19. As we anticipate our first full week of teaching and learning from home—a moment unprecedented in the school’s nearly three centuries—my thoughts are with all of you, my fellow Bulldogs. Thank you for all you are doing.

I send this video—the closest I can get to an “in-person” message at the current time—and will continue to be in touch. Please stay safe!

Yours sincerely,

Dennis G. Manning
Headmaster
